CORAM: HON'BLE MRS. JUSTICE SABINA

Present: Mr. Navin Saini, Advocate
for the petitioner.

SABINA, J

Petitioner has filed this petition under Section 482 of Code of Criminal Procedure, 1973 seeking direction to respondents No.1 to 3 for arresting respondents No.4 to 7.

Heard.

During the course of arguments, it has transpired that report from the Forensic Science Laboratory is still awaited.

In these circumstances, at this stage, no ground for interference is made out as the suicide note in question has been sent for comparison vis-a-vis the hand-writing of the deceased to the Forensic Science Laboratory and the report of the same is still awaited.

Petition stands disposed of, accordingly.
