Petitioner

vs.

State of Haryana

Respondent

Present: Mr. Deepak Kundu, Advocate.
Mr. MS Sidhu, Addl.A.G. Hry
M.M.S.BEDI,J.

The petitioners have been attributed knife blows on the abdominal part of the complainant. Report of the Doctor is to the effect that collectively all the five injuries are grievous.

I have gone through the treatment summary indicating that though a chest tube was inserted but all the body parts i.e. liver, spleen, pancreas and both the kidneys were found normal. The nature of the injuries, being grievous as per Section 320 IPC will be a debatable issue during the course of trial. Taking into consideration the fact that the challan has been presented and the petitioners have been in custody since 4.8.2014, the petition can be allowed.

The petition is allowed and the petitioners are ordered to be released on bail on their furnishing bail bonds/ surety bonds to the satisfaction of the trial court subject to the condition that the petitioners will not indulge in similar activity during the course of trial and will also not brow beat the witnesses. In case of any such circumstance, it will be open to the complainant or the prosecution agency to approach this court for cancellation of bail.
