**NAVITA SINGH, J. (Oral)**

Counsel for the petitioner submits that police is harassing the petitioner by calling him in the police station time and again and false case was registered against him by FIR No.112 dated 03.09.2014 in Police Station Division No.2, Moga.

ASI Kuldeep Singh from the said police station is present, who has informed that FIR against the petitioner stands cancelled. The contention of the petitioner that the persons, accused in the FIR No.29 dated 28.02.2014 lodged by him, are harassing him, is not tenable.

However, FIR No.29 is a separate case and it is nowhere mentioned in the petition that the accused persons in that case are influential people, as stated now, and that the petitioner is being harassed by the police at their instance. They have also not been made party in this petition.

Direction is sought that police should not harass the petitioner by calling him to the police station time and again and a direction to

respondent No.2 to protect the life and liberty of the petitioner.

The FIR against the petitioner is already cancelled and there is no reason that police should call him to the police station again and again. Nothing is mentioned in the application as to how the life and liberty of the petitioner is in jeopardy. The only thing is that he is being called to the police station repeatedly.

In view of the facts mentioned above, petitioner has not been able to make out a case for grant of any direction.

Dismissed.
