SABINA, J

Petitioner has filed this petition challenging the orders dated 17.07.2015 (Annexure P-2) and 23.09.2015 (Annexure P-3), whereby, application moved by the petitioner for getting him medically examined by Board of Doctors of General Hospital, Fatehabad with regard to his injuries, was dismissed.

I have heard learned counsel for the petitioner and have gone through the record available on the file carefully.

At the instance of the petitioner, FIR in question was registered against the accused. After completion of investigation and necessary formalities, challan was presented against the accused. During the pendency of the trial, petitioner moved an application that he be got

medically examined from Board of Doctors General Hospital, Fatehabad. The said application was dismissed by the trial Court vide order dated 17.07.2015. The revision filed by the petitioner against the said order was dismissed vide order dated 23.09.2015. Hence, the present petition by the petitioner.

It has been noticed by the Court of revision that occurrence had taken place in the night intervening 13/14.06.2015 at about 00:30 AM. Petitioner was got medically examined at General Hospital, Fatehabad and it was found that he had suffered injuries on his nose and occipital region of skull. Thereafter, petitioner got himself treated from Agroha Medical College, Agroha. Petitioner was radiologically examined on 15.06.2015 and no bony injury was seen either on his skull or nasal bone. Since the petitioner had already been examined radiologically and no bony injury was seen on his skull or nasal bone, the Courts below had rightly held that the application filed by the petitioner was liable to be dismissed.

No ground for interference is made out.

Dismissed.
