MAHESH GROVER, J.

Instant petition has been filed praying for registration of FIR which has since been done on the orders of the coordinate bench which order was carried in appeal by way of a Letters Patent Appeal where its operation has been stayed. In this view of the matter, I am of the view that instant petition has been rendered infructuous and the same is disposed of accordingly, however, leaving the parties to the outcome of the LPA with liberty to the petitioner to raise the plea regarding transfer of the investigation to CBI before the LPA Bench.
