Kuldip Singh J.(Oral)

The petitioner is the husband of the complainant. The FIR No.610, dated 11.12.2014, under Sections 498-A, 323, 325, 506 read with Section 34 of the Indian Penal Code, 1860 (in short 'IPC'), has been registered at Police Station Civil Lines, Rohtak, against the petitioner.

A perusal of the FIR shows that earlier also, an FIR No.105 of 2013, was registered against the petitioner on 03.03.2013, under Sections 498-A, 406, 506 at the same Police Station but the same was got withdrawn on the assurance of the petitioner that his wife will not be further harassed.

In this case, the allegations are of beating the complainant.

The copy of the medical record shows that the injuries are on the face of the complainant and there was complaint of breaking of lower incisor. There was a complaint of decrease of hearing also. There were injuries on the neck also. The injuries on the face cannot be self inflicted by a woman.

Keeping in view the matter, I do not find the present case a fit case, where the power under Section 438 of the Code of Criminal Procedure, 1973, can be exercised.

Accordingly, the present petition is dismissed.
