This is a petition filed by Gian Singh, owner of Swift Desire Car. It is stated that the petitioner's son had moved an application seeking supardari of the car which has been rejected by the trial Court for various reasons.

The application filed before the Additional Sessions Judge was by the son of the petitioner whereas this petition has been filed by the father. It appears that the Court below got swayed with the fact that the car was the case property in which the bribe amount was carried and therefore, dismissed the application.

The counsel for the petitioner states that they have the documents now showing their title.

The petitioner is directed to approach the trial Court with his application for release of the car on supardari. The trial Court would decide the application afresh without being swayed with the fact that the vehicle was the case property.

The petition is disposed of. The trial Court would decide the application expeditiously.
