...Respondents

CORAM: HON'BLE MR. JUSTICE RAJAN GUPTA

Present: Mr. Sunny K. Singla, Advocate for the petitioner.

Rajan Gupta, J. (oral)

Petitioner has impugned judgment dated 11.2.2014, passed by the Juvenile Justice Board, Sangrur, acquitting respondent No.2 of charges levelled against him. According to counsel for the petitioner, the trial court relied upon very minor discrepancies in the statements of the witnesses and erred in acquitting the accused.

I have heard learned counsel for the petitioner and given careful thought to the facts of the case.

Instant complaint was lodged by petitioner alleging that on 3.4.2010, when he was returning home, he was accosted by the accused/ respondent No.2, who grappled with him and his uncle. He gave two injuries, one on the head and another in the stomach. Trial court after appreciation of evidence found that testimony of eye-witness was unreliable as civil litigation was pending between the parties. The matter was earlier investigated by the police, but a cancellation report was submitted. It appears, petitioner earlier preferred an appeal against the order passed by

the Principal Magistrate, Juvenile Justice Board, but the same was dismissed as not maintainable. Resultantly, present revision has been filed after a delay of 191 days. I find no ground to interfere on merits. The petition is hereby dismissed.

Since I find no ground to interfere on merits, no separate order needs to be passed in the application for condonation of delay. Same is also dismissed.
