Mahesh Grover, J

There is no representation on behalf of the petitioners.

The petitioners prayer in the petition is for release of salary along with 18% interest.

It has been averred by them that they were selected and appointed as Anganwari Workers and have been working as such but the respondents have not paid their salary.

Reply has been filed by the respondents, wherein, it has been stated that concededly appointment letters were issued to the petitioners as Helpers, however, subsequently the Supervisor reported that there was only one sanctioned post each of Anganwari Worker and Helper and upon discovering the mistake appointments of the petitioners were canceled. It is further averred that petitioners never worked as they did not join the posts at all.

These facts have not been controverted by the petitioners and no counter affidavit has been filed. Even though, the reply was filed way back in the year 2012 .

Consequently, finding that the petitioners have gone unrepresented and also looking at the reply of the respondents, I am of the opinion that the petition deserves to be dismissed.

Ordered accordingly.
