The petitioner states that she has come to know that the Managing Director/respondent No.1 is looking into the matter. The notice inviting tenders was issued by the General Manager and not by the Managing Director. She further states that the award of tenders were also finalized by the General Manager. She, therefore, intends making a representation or to join the representations made by similarly situated parties to the Managing Director. Learned counsel appearing on behalf of the respondents state that he has no instructions in this regard. He has made the file available in the Court as directed by our order dated 17.09.2015.

The writ petition is, accordingly, disposed of with liberty to the petitioner to approach the Managing Director/respondent No.1. If the Managing Director is considering the matter for other routes he is requested to also consider the routes which are the subject matter of this writ petition.

The petitioner's counsel states that he will forward copy of this writ petition to the Managing Director.
