S.J. VAZIFDAR, A.C.J. (ORAL)

The petitioners state that despite their complaints to the official respondents over the last few years regarding the alleged illegal construction referred to in the writ petition, no action has been taken by the respondents.

The construction even as per the petitioners has been going on for about three years. The parties concerned/owners/occupants of the offending construction are not before us.

It would be appropriate for us in the first instance to direct the respondents to process the complaints and to act in accordance with law.

In the circumstances, the petition is disposed of by directing the respondents to process the petitioners' complaints/representations and to take action in respect of their

grievances in accordance with law. The official respondents shall also consider the contents of this writ petition as a representation.
