The petitioner has sought a writ of mandamus for directing the respondents to release the compensation amount granted to the petitioner in the year 1987-88. The petitioner has not disclosed the process of acquisition; the date of award and as to whether the compensation has been deposited or not deposited and before whom.

During the course of arguments, learned counsel for the petitioner stated that the land has been acquired under the Land Acquisition Act, 1894. If it is so, the petitioner may approach the Land Acquisition Collector for release of the compensation, if not already disbursed, in accordance with law.
