PARAMJEET SINGH, J. (ORAL)

Instant writ petition has been filed for quashing the order dated 08.10.2015 (Annexure P-6) passed by respondent No.2 – Deputy Commissioner, Gurgaon, whereby following authorization of the petitioner has been withdrawn for the reason that petitioner was found involved in fraudulent transactions in SB A/c No.2030855 at DLF QE Gurgaon P.O.: -

“The above noted person whose specimen signature appears below is hereby authorised to collect money from person willing to purchase Small Savings Securities. He is in possession of serially numbers printed Receipt Forms in which he will give receipts for the money received from Investors. He will obtain the securities (From the Post Office and / or office named above) and delivered the same to the

purchasers.”

Admittedly, petitioner was authorised to collect money under her signatures from the persons willing to purchase small savings securities. The money was to be collected against serially numbered receipt forms and the same was required to be deposited in the post office. Once the agent has lost the trust, authorities have every right to forthwith withdraw the authorization because money transaction is involved. Since the authorities have come to a conclusion that petitioner was involved in fraudulent transactions, they have rightly stopped further collection.

In view of this, I do not find any illegality or perversity in the impugned order.

Dismissed in limine.
