

**IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH**

Civil Writ Petition No.2428 of 2015

Date of decision: 12.02.2015

Bharat Petroleum Corporation Limited

... Petitioner

versus

National Highways Authority of India and another Respondents

CORAM: HON'BLE MR. JUSTICE K. KANNAN

Present: Mr. Raman Sharma, Advocate,
for the petitioner.

K.Kannan, J. (*Oral*)

1. The petitioner states that there is a provision for an appeal against the impugned order and an appeal has been filed. However, the petitioner seeks for intervention of this court because there is no Presiding Officer. According to the petitioner, there is a demand for ₹ 25 lakhs and without an adjudication, any liability cast on the petitioner will work great hardship. I direct that no recovery will be effected till the appeal is taken up and the appellate authority passes appropriate order on the demand made through the impugned order.

2. With these observations, the writ petition is disposed of.
