AT CHANDIGARH**

Date of decision: 12.02.2015

Smt. Sonia Wadhwa

... Petitioner

versus

Permanent Lok Adalat, Public Utility Services, and others.

.... Respondents

CORAM: HON'BLE MR. JUSTICE K. KANNAN

Present: Mr. Sandeep Punchhi, Advocate,
for the petitioner.

K.Kannan, J. (Oral)

1. The counsel for the petitioner says that the petitioner will move an application before the respondent for re-assessment on the ground that even on a sanctioned load running it for 24 hours for the entire period, the consumption cannot register as many units as they have shown. The counsel seeks therefore for alternative redressal mode of considering her plea and appropriate decision taken on such a plea.

2. The writ petition is disposed of granting the petitioner the liberty aforesaid.
