MAHESH GROVER.J.

The petitioners pray that polling booths be provided in village Kot Mithaka. The argument advanced is that the villagers are prevented from casting their votes when the polling booths are located elsewhere as they belong to suppressed class of the society.

On due consideration, we would not like to interfere in this issue as these are matters purely in the administrative domain and since the petitioners have already made a representation to the competent authority, we would deem it appropriate to dispose of this petition with a direction to respondent No.1 to look into the grievance of the petitioners as contained in the representation

CWP No.27588 of 2015 -2-

and take an appropriate decision thereon.
