MAHESH GROVER.J.

This is a petition preferred by the petitioner seeking a mandamus that before passing any adverse order locking the Tax Identification Number (TIN) under Rule 51A of the Punjab VAT Rules his reply which has been submitted in response to the show cause notice Annexure P-1 be considered and a decision taken thereon.

Concededly, the decision has not so far been taken and we believe that the petitioner is presumptuous to believe that his response would not be considered before a decision is taken. It is always expected from any authority vested with powers to consider the objections which have been filed before passing an

adverse order.

Therefore, without commenting on the issue any further, we dispose of this writ petition with an expectation from the concerned authority to consider the reply to the show cause notice and proceed with the matter in accordance with law. The decision be taken as expeditiously as possible but not later than one week from today and till that time no adverse order shall be passed.
