MAHESH GROVER.J.

The petitioner prays for inclusion of her name in the voter list. According to the petitioner she has been making representations to the respondents over a period of time but no decision in that regard has been taken.

According to us, there are visible constraints in answering the prayer of the petitioner, one of them being that the election process having been initiated, such a prayer cannot be answered in the exercise of writ jurisdiction. Apart from that, there would be a schedule provided for altering the voter list for inclusion, transposition or deletion of any name, which is publicized. If the petitioner has responded to it and yet a decision has not been taken, then we would deem it appropriate to dispose

of the present petition with a direction to the respondents to consider the grievance of the petitioner and take a decision in accordance with law.
