SATISH KUMAR MITTAL, J. (Oral)

The petitioners have filed this petition challenging the order dated 14.01.2014 (Annexure P-12), whereby the appeal filed by M/s Vivekanand Ashram Society, Faridabad (respondent No.9 herein) against the order dated 04.07.2013 (Annexure P-9) passed by the Estate Officer, HUDA, Faridabad, resuming plot No.1, Sector 16, Mandi Chowk, Faridabad, was allowed and the resumption order was set aside.

The petitioners were not party to the said litigation. In our opinion, they have no locus to challenge the said order. Further, it appears to us that possibility cannot be ruled out that the petitioners are using the judicial platform for arm-twisting for some extraneous considerations.

Further, the second issue with regard to the change of use of the land cannot be considered in this petition, as the matter in this regard is already pending before the Supreme Court, where the respondent No.9 Society was permitted to run the Dental College in the premises. It is further the case of the petitioners that now, the respondent No.9 Society has further changed the use of the land. As far as this fact is concerned, the petitioners can bring it to the notice of the Supreme Court, where the matter is already pending. As far as this petition against the order setting aside the resumption order is concerned, in our opinion, it is not maintainable, as the petitioners have no locus standi and this platform cannot be allowed to be used for arm-twisting.

No merit. Dismissed.
