for respondent No.5.

SATISH KUMAR MITTAL, J.(Oral)

Residents of Village Nathupur, Tehsil and District Gurgaon, has filed the instant petition for directions to the respondents including Municipal Corporation, Gurgaon, within whose jurisdiction the said village comes, to provide them drinking water where at present there is no source of drinking water as the earlier submersible pump installed by the Municipal Corporation, has been stopped working and the residents of the said village are being deprived of the basic facility of the drinking water.

The State Government in the written statement filed by the Deputy Commissioner, Gurgaon, Respondent No.3 has granted its permission to the Municipal Corporation, Gurgaon, for installation

of 20 tubewells including two in village Nathupur, to meet the drinking and domestic water requirement in the area. The said permission was granted in the month of May 2015. Unfortunately, till date the Municipal Corporation, Gurgaon has not acted and installed those tubewells in the area by which the drinking water could be provided to the residents of village Nathupur.

In our view, the Municipal Corporation, Gurgaon has failed to discharge of its duties, therefore, they are immediately directed to install two tubewells as sanctioned by the Deputy Commissioner, Gurgaon, vide Annexure-R1, within a period of six weeks positively.

Accordingly, the writ petition is disposed of with the above said directions.
