The case of the petitioner in the present petition is that he was given extension up to 07.09.2014 i.e the day on which the petitioner was to attain the age of 62 years but he has been relieved two days prior to aforesaid date because last two days were Saturday and Sunday.

However, without issuing any notice to the opposite party as it will not only be the futile exercise but unnecessarily, the expenses will have to be borne, the present petition is disposed of with a direction to respondent No.3 to pay the salary to the petitioner for last two days as his contract was up to 07.09.2014.

The petition is disposed of accordingly.
