In this case, the only ground pressed by the Insurance Company is that the route permit was for Una-Amb-Chintpurni and that the place of accident village Khohar near Kohla, Police Station Nadaun, District Hamirpur Himchal Pardesh does not fall in the said route permit. However, the checking of the map shows that the said village falls in the Una-Amb-Chintpurni route. Therefore, there was a valid route permit and the accident took place within the area permitted under the route permit.

It being so, there are no merits in the present appeal, consequently, the application for condonation of delay in the filing the appeal as well as the main appeal are dismissed.
