CM No.4470-C of 2015

This application under Section 151, CPC, has been filed by the applicant-appellant for permission to place on record copy of written statement (Annexure A-1) filed on behalf defendants No.1 to 3/respondents No.1 to 3 in the learned trial Court.

For the reasons mentioned in the application, the same is allowed and the applicant-appellant is permitted to place on record written statement (Annexure A-1) of defendants No.1 to 3/respondents No.1 to 3.

The civil miscellaneous application stands disposed of accordingly.

RSA No.3895 of 2013

Learned counsels for the appellant and respondent No.4 have jointly contended that appellant and respondent No.4 have compromised the matter and have requested that this appeal be disposed of in terms of compromise.

Learned counsel for the respondents No.1 to 3 who is present in the Court has also stated that he has no objection, if the appeal be disposed of in terms of this compromise.

From the bare perusal, it is found that the alleged compromise is thumb marked by the appellant-plaintiff Jagdish Rai and signed by respondent-defendant No.4 Amrik Singh.

In view of this compromise, this appeal stands accepted and consequently the impugned judgments and decrees passed by both the Courts below are set aside. The suit of the plaintiff for permanent injunction as well as mandatory injunction as prayed for is decreed with no order as to costs. This appeal stands disposed of accordingly.

But it is, however, made clear that this order will have no affect on the rights of the officials of the Punjab State Electricity Board which they have under the relevant provisions of the Electricity Act in discharge of their duties. At the same time, the appellant-plaintiff will also be bound to pay requisite charges which he is required to pay

under the rules for doing the needful. Decree-sheet, if any, be drawn accordingly.

Since the main appeal has been disposed of, the miscellaneous application, if any, also stands automatically disposed of having been rendered infructuous.
