Application is allowed as prayed for.

Regular Second Appeal No.1925 of 2014

There is nothing for interference and there is no point of law made. The argument is that the mother set up an alleged Will of her husband which was found to be not true. Therefore, according to him, the court not have been granted a share as heir to the son. It is unacceptable that a share can be lost on what the law provides under Section 8 of the Hindu Succession Act treating the mother as a co-heir to the widow. There is nothing for interference. The appeal is dismissed.
