ORDER

27.05.2016

CM No.20704/2016 (for direction)

The death of the first respondent should have been brought to the notice of the court before the appeal was disposed of. Be that as it may, since the appeal of the insurance company was found to be unmerited and consequently dismissed on 06.05.2015, the judgment of the tribunal prevails. For change in apportionment consequent upon death of one of the claimants, the applicant may first approach the tribunal.

The application is disposed of.
