CORAM:

HON'BLE MR. JUSTICE MANMOHAN

ORDER

% **29.05.2017**

C.M.No.20718/2017 & Review Petition No.227/2017

Present application has been filed for review of the order dated 16th September, 2015.

Present application is supported by an application for condonation of delay of 577 days. However, this Court finds no ground for condonation of 577 days delay in filing the present review application.

It is pertinent to mention that the review petition is premised on the basis that the first allotment to the petitioner was of an area more than 67 sq.mtrs. As the first allotment to the petitioner was also of a DDA flat, it is not understood as to why this fact was not pointed out in the counter affidavit and why it took the DDA 577 days to file a review petition.

Consequently, the present application is dismissed on the ground of delay.
