Present writ petition was disposed of vide order dated 28th January, 2015 after counsel for respondent no. 5 agreed to repair damages caused to the petitioner's property. Accordingly, respondent no. 5 was directed to carry out the repair works within two weeks. Petitioner was also directed to get his water tanks repaired/replaced.

As per petitioner repair work has not been done by the respondent no. 5. However, as per respondent no. 5 petitioner did not allow the entry to the respondent no. 5 to carry out repair works. It is also the case of the respondent no. 5 that petitioner has water tanks on the terrace of respondent no. 5, which are leaking resulting in damage of the roof. Petitioner, who is present in Court today, submits that water tanks will be repaired within two

weeks in such a manner that no leakage takes place. He further submits that respondent no. 5 will be permitted to enter the premises of petitioner to assess the damage.

Renotify on 2nd March, 2016 for compliance.
