that he was lying dead on 440 volt of electric wire.

It has been submitted by the counsel for the petitioner
that petitioner is innocent and has not been named in the First
Information Report by the informant, who stated that his father
died due to electrocution. During investigation, it transpired that

the petitioner was committing theft of electricity by utilizing 440 volt live wire and the deceased came in contact with 440 volt of electric wire and died. He further submits that there is no eye-witness to the alleged occurrence.
