SHARMA**

ORAL ORDER

3 08-03-2016 Heard learned counsel for the petitioner and learned
A.P.P. representing the State.

The petitioner seeks bail in connection with Chakai
P.S. Case No. 104 of 2015 registered for the offences punishable
under Sections 394, 302 and 397 of the Indian Penal Code.

Allegedly, the informant having Rs. 69,250/- and the
deceased having Rs. 73,000/- were robbed by the petitioner,
tempo driver and one un-known and in the occurrence the un-
known person who was sitting in the back sit of tempo, shot
Jamshed and the petitioner was instigating to kill him and further
the tempo driver gave 2-3 blow with *danda* resulting Jamshed died
at the spot.

Submission is of false implication and against the
petitioner there is no specific allegation, he is suffering in custody

since 11.09.2015, he has not taken any money and nothing has been recovered from his possession, the petitioner has got no criminal antecedent and, as such, he deserves sympathetic consideration, to which the learned A.P.P. opposes by submitting that in the process of robbing, Jamshed was killed and further the amount was snatched away by the petitioner and other two co-accused from the deceased as well as from the informant.

In the facts and circumstances stated above, considering the allegation attributed against the petitioner serious in nature, this Court is not inclined to enlarge the petitioner on bail and accordingly, his such prayer stands rejected.
