CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY

ORAL JUDGMENT

Date: 11-08-2016

Heard learned counsel for the petitioner and learned counsel for the State in both the cases.

In the present case a limited grievance has been raised that the Government has delayed in absorption of the petitioners on the regular establishment against the vacant post.

The counsel for the petitioners submits that on the basis of the Government policy decision it was decided to regularize the service of the employees who were working as daily wager in the office of the Collectorate and its subordinate offices. In pursuance thereof 1391 vacancies were identified, but the panel has been prepared consists of 410 persons divided into four categories, namely, priority no. 1 having panel 160 persons, priority no. 2 having panel 62 persons, priority no. 3 having panel 39 persons and priority no. 4 having panel 193 persons.

The claim of the petitioner submits that the name of petitioner of CWJC No. 14391 of 2013 is standing at 2nd priority and the names of petitioners in CWJC No. 16634 of 2013 stands at 1st priority list. Only the prayer has been made that process of absorption should be expedited and service of the petitioners should be regularized.

In such view of the matter, the case of petitioners will be

considered for regularization when their turn will come. It is expected that the Collector, Patna would expedite the process of regularization as sufficient vacancies are available in the Collectorate and its subordinate offices. It goes without saying that the Collector will ensure the reservation policy in its letter and spirit, will carry out the absorption taking care of roster point.

With the above observation/direction, both the petitions are disposed of.
