CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 21-09-2016

Heard learned counsel representing the Housing Board extensively on the various facets why the review application is required to be allowed.

2. The more learned counsel for the Housing Board tried to convince the Court, the more the Court is convinced about the correctness of the order passed in the writ application on 05.08.2013.

3. Annexure-14 and 15 has been again gone through by rereading the two communications. There is absolutely no reflection that these two communications under the signature of the Executive Engineer of the Housing Board has any co-relation to the directive

issued by the learned Single Judge in the order contained in Annexure-12. It was for the said reason that the Court while disposing of the writ application stated "the petitioner is not bound to succumb to such a demand arbitrarily."

4. That being the position, no case for review of the order is made out. The effort on the part of the Housing Board is to wriggle out of their own omission and failure to carry out the judicial direction.

5. Review application is dismissed.
