CORAM:

HONOURABLE THE ACTING CHIEF JUSTICE

and

HONOURABLE MR. JUSTICE AHSANUDDIN AMANULLAH

ORAL JUDGMENT

(Per: HONOURABLE THE ACTING CHIEF JUSTICE)

Date: 08-11-2016

The petitioner has sought a mandamus to direct the respondent authorities to fill the vacant sanctioned posts in the Government Nursing Training Schools in the different districts of the State.

The grievance is that the Nursing Training Schools are without Nursing Principals or other staff and as such posts are lying vacant

prescribed. In another supplementary counter affidavit dated 5th August, 2016, it is asserted that the process to collect the exact vacant position in different Nursing Institutes has been started by the Department. It is also pointed out that information has been received from some of the districts but details of working strength and vacancies position as per reservation roster has not been made available.

Today Mr. P. K. Verma, learned State Counsel states that out of 28 institutes, the information has been received in respect of 20 institutes relating to the vacancies and the roster position. He seeks another two weeks time to complete the information in respect of remaining 8 institutes.

We find that the process to recruitment must start forthwith as large number of vacancies of Nursing Tutors in all the Nursing Institutes is serious handicap for providing effective medical care to the citizens.

Consequently, we direct the Health Department to send the requisition to the Staff Selection Commission through the General Administrative Department within one week in respect of 20 institutes. Information in respect of remaining 8 institutes shall be sent within three weeks. The Staff Selection Commission shall take expeditious steps for completion of the selection process preferably

within a period of six months from the date first requisition is received by them.

The writ petition stands disposed off accordingly.
