ORAL ORDER

(Per: HONOURABLE THE ACTING CHIEF JUSTICE)

2 10-11-2016 The challenge in the present appeal is to an order passed by the learned single Judge on 18.01.2016, whereby it was found that discrepancies pointed out by the writ applicant has since been rectified and nothing subsists in the writ petition.

The grievance of the petitioner-appellant was in respect of ward wise population list in respect of Simri Panchayat under the block Rajnagar of Madhubani district.

During the pendency of the writ application, gazette notification was published and thereafter, the elections have been conducted and the result declared.

In view of the said fact, any mistakes in the ward wise list, can not be disputed in the writ jurisdiction of this Court.

If the petitioner-appellant is still aggrieved against the conduct of the election; publication of gazette notification; declaration of the result or ward wise list he has an alternative remedy of election petition.

In view of the above, the present appeal is dismissed.
