CORAM: HONOURABLE MR. JUSTICE HEMANT GUPTA

ORAL JUDGMENT

Date: 22-10-2016

The subsisting grievance of the petitioner is of non-payment of interest on the amount of additional family pension paid to the petitioner after delay which was payable to the mother of the petitioner, who died on 9th June, 2010.

Admittedly, the amount of additional family pension has been paid to the petitioner after death of his mother on 9th June, 2010. The mother of the petitioner was entitled to family pension and additional family pension on account of death of her husband. One could consider the grant of interest to the pensioner and not to the legal heir, who is a beneficiary of the amount of additional family pension after the death of his mother.

I do not find any reason to grant interest on the amount of additional family pension paid to the petitioner after the death of his mother.

Consequently, the writ petition is dismissed.
