ORAL JUDGMENT

Date: 05-08-2016

This writ application is dismissed because there is no co-relation between the relief which the petitioner, who is a Clerk in the College in question, is seeking and his status as such in the Institution because the constitution of a Managing Committee etc. falls within the realms of the management and the University. A clerk has no business to demand any direction for such constitution or non-constitution of the Managing Committee.
