ORAL JUDGMENT

Date: 19-11-2016

Heard learned counsel for the petitioner and learned
counsel for the State.

In this case, the petitioner is seeking appointment as
Driver in the Central Reserve Police Force.

The petitioner had cleared the written and physical test
and was asked to appear before the Medical Board where he was
found medically unfit on account of Defective Distance Vision and
Vaneose Veins. He was informed his rejection and asked him, if so
like, he may file an appeal before the Appellate Medical Board, there
was put for the medical test, but result was the same. Again the

petitioner was asked, if so like, he may go to the Review Medical Board which he also availed, but there is no deviation with regard to his medical fitness, which was detected at the earlier stage.

In the paramilitary or military force, medical fitness cannot be compromised.

In such view of the matter, this Court does not find any merit in the present petition and the same is, accordingly, dismissed.
