CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR
JHA
ORAL ORDER

3 04-07-2016 Heard both sides.

The petitioners apprehend their arrest in a case under Section 325 and other sections of the Indian Penal Code. Later one section 307 of the IPC was added.

The informant alleged that the accused persons forcefully entered into her house and set fire. She further alleged that the accused persons brutally assaulted her and took different articles worth Rs. 70,000/- from her house.

Sri Ajay Nandan Sahay, the learned counsel for the petitioners, submits that during the course of investigation the allegation setting fire in the house has been found incorrect.

Involvement of Maksudan Singh has also been found incorrect as he was on duty. He submits that entire allegation is false and concocted but from perusal of the case diary, it appears that the informant made allegation against the petitioners that they brutally assaulted her. The informant got as many as five injuries. There was teeth bite injury on forearm and 4th and 5th rib of chest of informant was found fractured and the doctor opined this injury to be grievous in nature.

Considering the facts aforesaid, I am not inclined to enlarge the petitioners on anticipatory bail. Accordingly, the same is rejected.
