ORAL ORDER

2 07-09-2016

Heard learned counsel for the petitioner and learned
counsel representing the State.

The petitioner wants to renew his prayer of bail which
was earlier twice rejected vide order dated 17.03.2015 and
24.11.2015 passed in Cr. Misc. No. 52403 of 2014 and 35174 of
2015, on the ground that the petitioner is in custody since
23.08.2014 having no criminal antecedent and trial has not been
concluded within six months as per order dated 24.11.2015. In the
first information report there is allegation for taking away Rs.
1,75,000/- from the bag kept in almiraha and nothing alleged
regarding theft of other articles but on the basis of alleged
recovery of other articles the petitioner is suffering in custody and,
as such, he deserves sympathetic consideration to which the
learned APP opposes by submitting that on the basis of

confessional statement of the petitioner, the mobile used was recovered and further stolen articles have been recovered from possession of co-accused.

In the facts and circumstances stated above, considering the alleged recovery, I am not inclined to enlarge the petitioner on bail, again his prayer for bail stands rejected.

However, let the trial be expedited and concluded as early as possible, preferably within four months from the date of receipt/production of a copy of this order, failing which the petitioner, if at no fault, may renew his prayer of bail.
