CORAM: HONOURABLE MR. JUSTICE V. NATH

ORAL JUDGMENT

8 16-03-2016 Heard learned counsel for the petitioners as well as learned counsel for the opposite parties.

In view of the stand taken on behalf of the opposite party delay in filing this revision application is condoned.

This revision application has been filed against the order dated 07.05.2012 passed in Reference Case No. 128 of 2010 by which the Bihar Public Works Contract Dispute Arbitration Tribunal passed an interim award for payment of Rs. 52,82,804/- to the opposite parties.

It is manifest from the impugned award that the

aforesaid amount was the admitted dues as agreed by the parties and in that view of the matter, the said award was passed. During the course of submissions, the learned counsel appearing on behalf of the petitioners could not show or establish any error of jurisdiction, illegality or material illegality in the impugned order as the interim award proceeds on the basis of admitted dues as agreed by the parties. This Court finds no reason to interfere with the impugned order.

This revision application is, accordingly, dismissed.
