ORAL ORDER

2 22-07-2016

Heard learned counsel for the parties.

The petitioner's mother retired as *Trained Dai*, while serving at Primary Health Center, Babubarhi in the District of Madhubani with effect from 29.02.1997. Petitioner's mother died on 27.06.1998.

This application has been filed seeking direction to the respondents for payment of post retiral dues including gratuity, leave encashment, arrears of pension from March, 1997 to June, 1998 and provident fund along with interest.

A counter affidavit has been filed in which it has been stated that the authority slip for pension for the period she was entitled to has already been issued and the amount has also been paid to her. It has also been stated that cash

equivalent to earned leave and general provident fund amount has also been paid to the petitioner. It also appears that the group insurance amount had already been paid to the petitioner in the year 1998-1999 itself.

There is no specific statement as to whether the petitioner was entitled for arrears of pension for the period March, 1997 to June, 1998 and whether the said amount has been paid to her or not.

From the counter affidavit, it appears that the grievance of the petitioner has substantially been redressed.

It is made clear that if any amount has still remained unpaid to the petitioner, he will be at liberty to file an application before the competent authority.

This disposes of the application.
