CORAM: HONOURABLE MR. JUSTICE ADITYA KUMAR TRIVEDI
ORAL ORDER

3 22-02-2016 Heard learned counsel for the petitioners as well as gone through the order impugned.

I do not see the order impugned needs any sort of interference.

Petition is rejected.

However, the deficiency/infirmity persisting in the judgment and decree passed by the learned lower court on that very score may be highlighted at the end of petitioner/appellant during course of argument.
