CORAM: HONOURABLE MR. JUSTICE RAMESH KUMAR DATTA
ORAL ORDER

2 16-03-2016

Heard learned counsel for the petitioner, Bihar

State Handloom and Handicraft Corporation Ltd.

The application has been filed for recall of the order dated 21.06.2012 passed by this Court in Company Petition No. 4 of 2009 by which the company petition was dismissed after noting the circumstances that it cannot proceed any further in view of the inability of the petitioner to bring up-to date statement of accounts on the record, despite repeated adjournments having been granted for a period of nearly one year and nine months and the last accounts being of the financial year ending on 31.3.1990 and the company petition was filed in the year 2009, the Managing Director in the supplementary affidavit had merely stated that no funds were being released to the Managing Director for preparing the up-to-date statements of accounts and the Managing Director was not in a position to get prepared the up-to-date statements of accounts and balance sheet

from the Corporation’s fund.

The recall is now sought on the ground that subsequently the audited statements of accounts have been prepared.

In view of the reasons assigned in the order of dismissal, I do not find any good ground for recall of the said order.

The application for recall is, accordingly, dismissed.
