ORAL ORDER

3 27-04-2016 Heard both sides.

The petitioner has filed this application for cancellation
of bail granted to the opposite party No.2 vide order dated
10.08.2015 passed in Cr. Misc. No. 29675 of 2015.

The allegation against opposite party No.2 is that he
took Rs.3,84,000/- from the petitioner but refunded only Rs.
1,60,000/- and for the rest amount he issued a cheque but the same
was dishonoured.

It is submitted that opposite party No.2 was granted
bail on consideration that he was in jail for nine months but true
fact is that he remained in jail for only two months and 22 days.

Be that as it may, the case relates with dishonouring of cheque and the opposite party No.2 remained in jail for about three months, I do not find any reason to cancel the bail granted to opposite party No.2.

This application for cancellation of bail is dismissed.
