CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

5 08-11-2016 Heard both sides.

The petitioner apprehends his arrest in Narhat P.S. Case
No. 158 of 2015 registered for the offences punishable under
Sections 304(B) and 34 of the Indian Penal Code.

The informant made allegation that his daughter was
married to the petitioner on 04.07.2014, but after marriage her
husband and other in-laws killed her on 01.12.2015 due to non-
fulfillment of demand of additional dowry.

Learned counsel for the petitioner submits that
petitioner is, of course, husband but no specific allegation is made
against him. During course of investigation the witnesses have
stated that the petitioner was having good relation with his wife,
but his wife committed suicide within 1½ years of marriage only

because she was not able to give birth to a child. Other accused persons have already been granted anticipatory bail, but it appears that the petitioner is husband of the deceased and there is specific allegation that the deceased was strangled to death within 1½ years of her marriage. The post-mortem report also found ligature mark all around the neck, thyroid bone was found fractured and she died due to asphyxia.

Considering the facts aforesaid, I am not inclined to enlarge the petitioner above named on anticipatory bail. Accordingly, the same is rejected.
