ORAL ORDER

3 24-10-2016 It is informed at the Bar that the trial of the present case has progressed substantially and all witnesses have already been examined. The court below is likely to pronounce judgment shortly.

In view of the fact that the trial is likely to reach to its logical conclusion very soon, it would be inappropriate to entertain the present matter. However, in the interest of justice, this Court directs that the present trial, which is at its penultimate stage, be concluded positively by 30th of

November, 2016, which would suffice the interest of the present petitioner.

With the aforesaid observations, the present application stands disposed of.
