CORAM: HONOURABLE MR. JUSTICE KISHORE KUMAR MANDAL
ORAL ORDER

2 20-10-2016

Heard Mr. Upadhyay for the State.

On the basis of averments made in the writ petition as well as in the counter affidavit, it is pointed out, the matter has been raised by the petitioner before the Bihar Human Rights Commission (in short 'the Commission') inasmuch as certain explanations have also been sought by the Commission from the concerned authority as is apparent from communication dated 24.10.2013 (Annexure-5). The petitioner has prayed for grant of compensation by the State on account of the death of his father in a suspicious circumstance. According to the petitioner, it was a

case of negligence on the part of the police machinery.

It is difficult for this Court to appreciate such grievance and appraise the relevant facts. In the case at hand, the matter has already been complained before the Commission. In these factual profile, the Court is reluctant to invoke its extraordinary and discretionary writ jurisdiction.

The writ application is dismissed.
