ORAL JUDGMENT

Date: 29-04-2016

Learned counsel for C.B.S.E. informs the Court that on verification from the regional office, it emerges that the candidate Apoorv Singh has 9.8 CGPA which roughly translates into 98% marks.

If that be so, then obviously the candidate is sitting on the upper ladder of the marking and keeping in mind the range of marks which goes with Grade A1, obviously there does not seem to be any discrepancy between what had been uploaded by the school on to the website of C.B.S.E. and the final result of the Board.

It is clarified that the writ application was entertained by

the Court as a random verification of the apprehension which was expressed on behalf of the guardian of the student when there is no mandate as such in terms of the regulation of the C.B.S.E.

If this be so, the matter should rest now. Writ application stands disposed of.
