CORAM: HONOURABLE MR. JUSTICE AJAY KUMAR TRIPATHI

ORAL JUDGMENT

Date: 16-02-2016

Whatever the decisions which may have been taken earlier by the respondent Bihar Sanskrit Shiksha Board with regard to constitution of the Managing Committee which led to filing of the present writ application, the facts as it stands today is that a 2015 Rule has now been notified, a copy of which has been produced by the counsel representing the private respondent.

Since a statutory provision has been put in place and notified, all decisions will be required to be taken afresh in conformity

with the 2015 Rule.

The writ application now stands disposed of with liberty to the petitioner, the private respondents and all such persons interested or directly affected to move the Chairman of Bihar Sanskrit Shiksha Board who after giving an opportunity of hearing and examining the necessary evidence in this regard will take a fresh decision for creation of a Managing Committee for the school in question.

It is hoped and expected that an earlier decision preferably within a period of three months from the date of filing of such applications for constitution would be taken.
