ORAL ORDER

2 24-08-2016 Heard both sides.

Petitioner apprehends his arrest in connection with Laheri
P.S.Case No.83 of 2014 pending in the Court of CJM, Nalanda at
Biharsharif registered for an offence under Sections 419, 420, 467,
468, 471 and 120(B) of the IPC.

The prayer for anticipatory bail of the petitioner was
earlier rejected vide order dated 10.03.2015 passed in
Cr.Misc.No.2891 of 2015.

Learned counsel for the petitioner submits that the
petitioner was the Branch Manager of Beard Infrastructure Pvt.
Ltd and he persuaded the customers to deposit the amount in the
company and after maturation the customers would get amount in

return. On such persuasion and assurance, the investors made investment in the company but they did not get any return. It is submitted that a complaint was made in the SEBI against directors of the company to return the money amongst the investors but the directors of the company has not yet complied the order of the SEBI. It is submitted that there is no fault on the part of the petitioner. Petitioner was simply an employ of the company.

Be that as it may, it was the petitioner who persuaded the investors to deposit the huge amount on assurance to get good return but the investors were cheated and prayer for anticipatory bail of the petitioner has already been rejected, I do not find any reason to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
