ORAL ORDER

2 17-09-2016 Heard both sides.

The petitioner apprehends his arrest in Nardiganj P.S.
Case No. 32/2016, registered for the offences punishable under
Section 307, 353, 379 and other sections of the Indian Penal Code.

The informant is a Junior Engineer Electricity Supply
Department. The informant alleged that on raid the petitioner was
found committing theft of electric energy and he was running a
mill. It is alleged that petitioner assaulted the informant and others
with sticks and also snatched Rs. 10,000/- from his possession.

Learned counsel for the petitioner submits that the entire
allegation is false and concocted. The informant and others
entered into the house of the petitioner and pushed the widow in
order to outrage her modesty and that is why villagers assaulted

them. Petitioner does not own any mill. During the course of investigation villagers have stated that the petitioner is the owner of the mill.

It appears that the informant is a Junior Engineer of Electricity Supply Department and when he went for raid on complaint about the theft of electric energy, petitioner not only assaulted the informant, but also snatched money from his possession.

Considering the facts aforesaid and the nature of allegation made against the petitioner, I am not inclined to enlarge the petitioner above-named on anticipatory bail. Accordingly, the same is rejected.
